MOUNT WASHINGTON SKI CLUB POSTS GREAT RESULTS AT THE TECK COAST ZONE RACE

Jan 13-15, 2012

Mount Washington, BC Canada: The Mt. Washington Ski Club held its first race of the season on January 13-15. The K1 (ages 10-12) event attracted 85 skiers from the Coast Mountains, including Seymour, Cypress, Hemlock, Grouse and Whistler.

For many, this race was a qualifier for the BC Winter Games which led to quite a competitive event for the young athletes. Skiers participated in 5 races - three Giant Slaloms and two Slaloms over the weekend. Nine members of the MWSC participated with impressive results, considering all are in their first year of the K1 program and were skiing against more experienced racers.

Kieran Harley, 10, from Victoria completed all five races in icy conditions and consistently placed in the top 20. Jared Perras, 11, from Campbell River received two top 10 placements, a tenth and seventh in GS. Other results included Sylvie Nymann (29th Slalom), Jamie Needham (14th GS), Calvin Cotton (27th GS), Reine Minter (8th GS and Slalom), Zariya Djurickovic (29th Slalom), Heather Ellard-Webster (32nd Slalom) and Taylor Nixon-Smith (27th GS).
